AQUAMAN 4D MAKES A SPLASH AT MOODY GARDENS

Enjoy an undersea journey with the aquatic hero in this innovative 4D experience

GALVESTON, Texas (January 20, 2020)– Aquaman™ makes his way to Galveston Bay in this all new 4D experience opening March 7 inside the 4D Special FX Theater.

Guests can join Aquaman™ on a quest to prevent a war between the worlds of ocean and land. When the power-hungry ruler of the underwater kingdom of Atlantis pressures his oceanic community to attack the surface world for their destruction of the seas, Aquaman™ returns to the tumultuous waters he was shunned from for being half-human.

Using his superhuman strength and speed, the powerful hero fights to protect both his land-dwelling comrades and the world beneath the waves, casting a spotlight on the beauty of our seas.

“Guests will get the chance to go on an adventure with Aquaman 4D and admire the beauty of the sea and its inhabitants,” said Moody Gardens President and CEO John Zendt. “The 4D Special FX Theater truly immerses the audience in a stunning viewing experience that engages all of the senses.”

AQUAMAN™: The 4D Experience® stars Jason Momoa and Academy Award® winner Nicole Kidman in a visually breathtaking, adrenaline-packed adventure. The fate of two worlds lies with one hero... and he is bringing guests along on this journey of a lifetime.

The 4D Special FX Theater is included in a Value Pass for \$69.95 for adults and \$59.95 for children, ages 3-11. Single tickets are also available for \$11.95 for adults and \$9.95 for children and seniors. Tickets may be purchased on-site or online at www.moodygardens.org.
