

MOODY GARDENS BRIGHTENS THE SEASON WITH WEDNESDAY-THEME NIGHTS AT THE FESTIVAL OF LIGHTS WALKING TRAIL

11/22/2022

Galveston, Texas (November 19, 2022) — Moody Gardens Festival of Lights returns this year to brighten the holiday season from November 19 through January 7 and will have three Wednesday-themed nights to add more joy to the walking trail.

Guests are invited to start a holiday tradition like never before with more than one million lights, and breathtaking views. Be part of the shining lights with family, friends, or a group on one or all of our Wednesday-themed nights this holiday season.

The first Wednesday theme is a **HOLIDAYPAJAMA NIGHT** on November 30, where guests can enjoy the most comfortable Christmas walk and see the brightest holiday season in PJs.

On, Wednesday, December 7 it's **DOG NIGHT**. Bring well-behaved furry friends with you on a short leash to walk through the enchanted lights. Visitors must be mindful and bring bags to pick up after their buddy. For safety reasons, pets are **not** allowed in attractions, buildings, or other areas; only on the walking trail of the Festival of Lights.

Visitors can also enjoy a night with quieter music, no flashing lights, and quiet areas for a soothing **SENSORY NIGHT** on December 14.

“We are happy to bring even more holiday glow each year for Festival of Lights and other holiday attractions at Moody Gardens,” said Moody Gardens President and CEO John Zendt. “It has become a holiday tradition for families that we enjoy being a part of.”
