MOODY GARDENS TAKES GUESTS ON 4D JOURNEY TO SAVE THE RAINFOREST WITH "DORA & DIEGO'S 4D ADVENTURE"

4D experience engages all senses and thrusts guests into a globe-trotting expedition

GALVESTON, Texas (May 1, 2019) – Beginning May 25, the Moody Gardens 4D Special FX Theater will present "Dora & Diego's 4D Adventure," a new family friendly theatrical film and attraction based on Nickelodeon's hit animated preschool series "Dora the Explorer" and "Go, Diego, Go!." For the first time ever, families can see these popular characters animated in digital 3D, with special effects that make the story burst off the screen.

In "Dora & Diego's 4D Adventure," visitors will join Dora, Diego and Boots as they travel from the tropical rainforest to the icy Arctic in a high-speed chase to protect the world's animals from Swiper's newest invention—a Robot Butterfly! Moody Gardens' 4D Special FX Theater combines the visual drama of a 3D film with a variety of sensory effects that are built into the seats and theater environment, bringing on-screen images to life with added effects such as water mist, a neck air blast, snow, bubbles, leg ticklers, scents, enhanced floor lighting, and seat vibrations.

The 4D Special FX Theater is included in a Value Pass for \$69.95 for adults and \$59.95 for children, ages 3-11. Single tickets are also available for \$11.95 for adults and \$9.95 for children. Tickets may be purchased on-site or at www.moodygardens.org.
