

Moody Gardens Hotel, Spa and Convention Center to open on Memorial Day Weekend

05/15/2020

GALVESTON, Texas (May 15, 2020) —Stay at Home Orders and COVID-19 restrictions have kept many people at home looking forward to the time they could get out and find their Happy Place once again. Moody Gardens Hotel will welcome guests to relax on beautiful Galveston Island to rediscover this starting May 22nd. Of course, the health of guests and staff is of paramount importance to the hotel's reopening. The cleaning and maintenance practices are at the CDC's highest standards. Hotel staff is working to ensure every stay will be comfortable, enjoyable, and clean.

Moody Gardens Hotel is ready to provide a happy place for families starting Memorial Day Weekend. Guests can relax by the poolside, or enjoy the new Babe's Beach Day Package with shuttle service. The hotel even provides complimentary bikes for guests to enjoy around the property. They can even take advantage of the award-winning golf course and relaxing spa packages ... Those toes deserve a treat!

Moody Gardens Hotel has increased protocols to provide the cleanest environment possible. From handwashing and hard surfaces to rooms and the places between, great attention is paid to all the details. Hotel staff will use PPE based on their specific job roles at the resort. Masks and gloves will be available to all guests upon request. The hotel has also increased its hospital-grade sanitation levels. A comprehensive program that includes these steps and much more has been implemented for the health and safety of staff and guests while keeping the quality of an enjoyable experience a priority. Moody Gardens offers the *Pyramid Promise* that states the experience will be *clean, safe and fun*.

Moody Gardens offers a tropical setting for travel, highlighted by excellent customer service. Moody Gardens Hotel boasts top-quality accommodations in a beautiful, botanic setting. The hotel sits on 242 acres of breathtaking gardens and spectacular coastal views.

Lush greenery and vibrant colors make dining at Café in the Park feel like an outdoor picnic. Shearn's Seafood and Prime Steaks is the destination for fine dining in Galveston. The restaurant features floor-to-ceiling views of the Gulf waters. Shearn's is one of the few area restaurants to receive AAA's Four Diamond Award of Excellence. The restaurant has won it every year since 2004.

The Spa at Moody Gardens helps guests reach total relaxation during their visit. Services feature Swedish, deep tissue and hot stone massages. Guests can also enjoy facials, manicures, pedicures, body wraps, and more.

For information or reservations, please call 409-741-8484 or visit www.moodygardenshotel.com.

Moody Gardens® is a public, non-profit, educational destination utilizing nature in the advancement of rehabilitation, conservation, recreation, and research.
