

CORPORATE VOLUNTEER PROGRAM

Corporations play a special role by bringing groups of employee volunteers together, often for specific projects on either an ongoing, seasonal, or one-time basis. These projects not only provide an invaluable service to Moody Gardens®, but also afford an outstanding opportunity for employees to spend quality time together outside the workplace. If your company would like to become more involved at Moody Gardens®, we can modify a program of activities that is just right for you and your employees. There are a number of possibilities, but the sample programs which follow offer some ideas to get you going. Volunteering boosts employee morale and promotes team building. Corporate volunteers assist with property upkeep, Festival of Lights and other events. Volunteer Services and can arrange a corporate volunteer day for your company or an ongoing corporate volunteer project.

Hold a Corporate Volunteer Day

Bring staff together for a one-time beautification day complete with special thanks on all ticketing marquees. Enjoy a fun day of teamwork and camaraderie in an island setting.

Link Your Corporate Donations to Your Community Service

If you are interested in making a corporate donation to Moody Gardens®, you may want to consider linking your funds to your employee's volunteer service donating a specific amount for every hour volunteered.

Join the Moody Gardens® Crew!

You can encourage your employees - both current and retired - to join the year round Moody Gardens® Volunteer Program. These volunteers undergo training and commit to serve a specific number of hours each month in a variety of capacities, according to their interests and abilities. The program welcomes volunteers 18 and older to join this dedicated group. We would be happy to provide you with more information to distribute to your employees.
